## Genesis 9:12-15

בראשית ט:יב-יה

**12** *God* said, “This is the sign of the **covenant** which I am making between Me and you and every living creature that is with you, for all successive generations;

**13** *I set My bow in the cloud, and it shall be for a sign of a **covenant** between Me and the earth.*

**14** “*It shall come about, when I bring a cloud over the earth, that the bow will be seen in the cloud,*

**15** *and I will remember My **covenant**, which is between Me and you and every living creature of all flesh; and never again shall the water become a flood to destroy all flesh.*

## Genesis 9:16-18

בראשית ט: יו-יח

- 16** *“When the bow is in the cloud, then I will look upon it, to remember the everlasting **covenant** between **God** and every living creature of all flesh that is on the earth.”*
- 17** *And **God** said to **Noah**, “This is the sign of the **covenant** which I have established between Me and all flesh that is on the earth.”*
- 18** *Now the sons of **Noah** who came out of the **ark** were **Shem** and **Ham** and **Japheth**; and **Ham** was the father of **Canaan**.*

Genesis 9:19-22

בראשית ט: יט-כב

**19** *These three were the sons of Noah, and from these the whole earth was populated.*

**20** *Then Noah began farming and planted a vineyard.*

**21** *He drank of the wine and became drunk, and uncovered himself inside his tent.*

**22** *Ham, the father of Canaan, saw the nakedness of his father, and told his two brothers outside.*

Genesis 9:23-24

בראשית ט: כג-כד

*23 But **Shem** and **Japheth** took a garment and laid it upon both their shoulders and walked backward and covered the nakedness of their father; and their faces were turned away, so that they did not see their father's nakedness.*

*24 When **Noah** awoke from his **wine**, he knew what his youngest son had done to him.*

**25** *So he said, “Cursed be **Canaan**;  
A servant of servants He shall be to his brothers.”*

**26** *He also said, “Blessed be the **LORD**,  
The **God of Shem**; And let **Canaan** be his servant.*

**27** *“May **God** enlarge **Japheth**,  
And let him dwell in the tents of **Shem**;  
And let **Canaan** be his servant.”*

**28** *Noah lived 350 years after the flood.*

**29** *So all the days of **Noah** were 950 years, and he died.*

Matthew 24:22-25

Μαθθαῖον 24:22-25

**22** *And He said to the disciples,  
“The days will come when you will long to see  
one of the days of the Son of Man, and you will not see it.*

**23** *“They will say to you, ‘Look there! Look here!’  
Do not go away, and do not run after them.*

**24** *“For just like the lightning,  
when it flashes out of one part of the sky,  
shines to the other part of the sky,  
so will the Son of Man be in His day.*

**25** *“But first He must suffer many things  
and be rejected by this generation.*

Matthew 24:26-29

Μαθθαῖον 24:26-29

**26** *“And just as it happened in the days of **Noah**,  
so it will be also in the days of the Son of Man:*

**27** *they were eating, they were drinking, they were marrying,  
they were being given in marriage,  
until the day that **Noah** entered the ark,  
and the flood came and destroyed them all.*

**"If Noah lived in the United States today. . .**

**And the Lord spoke to Noah and said,  
"I am going to make it rain and cover the whole  
earth with water until all flesh is destroyed.**

**But I want you to save the righteous people  
and two of every kind of living thing on the earth.  
Therefore, I am commanding you to build an Ark."**

**In a flash of lightning, God delivered the  
specifications for an Ark. In fear and trembling,  
Noah took the plans and agreed to build the Ark.  
"Remember" said the Lord, "You must complete  
the Ark and bring everything aboard in one year."**

**Exactly one year later, fierce storm clouds covered the earth and all the seas of the earth went into a tumult. The Lord saw that Noah was sitting in his front yard weeping.**

**"Noah," He shouted. "Where is the Ark?"**

**"Lord, please forgive me!", cried Noah.**

**"I did my best, but there were big problems.**

**First, I had to get a permit for construction and your plans did not meet the codes. I had to hire an engineering firm and redraw the plans.**

**Then I got into a fight with OSHA over whether or not the Ark needed a fire sprinkler system and flotation devices. Then my neighbor objected, claiming I was violating zoning ordinances by building the Ark in my front yard, so I had to get a variance from the city planning commission.**

**Then I had problems getting enough wood for the Ark, because there was a ban on cutting trees to protect the Spotted Owl.**

**I finally convinced the US Forest Service that I needed the wood to save the owls. However, the Fish and Wildlife Service won't let me catch any owls. So, no owls.**

**The carpenters formed a union  
and went out on strike. I had to negotiate a  
settlement with the National Labor Relations Board  
before anyone would pick up a saw or a hammer.  
Now I have 16 carpenters on the Ark,  
but still no owls.**

**When I started rounding up the other animals,  
I got sued by an animal rights group.**

**They objected to me only taking two of each kind  
aboard. Just when I got the suit dismissed,  
the EPA notified me that I could not complete  
the Ark without filing an environmental impact  
statement on your proposed flood.**

**They didn't take very kindly to the idea  
that they had no jurisdiction over the conduct  
of the Creator of the universe.**

**Then the Army Corps of Engineers demanded  
a map of the proposed new flood plain.**

**I sent them a globe.**

**Right now, I am trying to resolve a complaint filed with the Equal Employment Opportunity Commission that I am practicing discrimination by not taking godless, unbelieving people aboard.**

**The IRS has seized my assets, claiming that I'm building the Ark in preparation to flee the country to avoid paying taxes.**

**I just got a notice from the state that I owe them some kind of user tax and that I failed to register the Ark as a "recreational water craft."**

**Finally, the ACLU got the courts to issue an injunction against further construction of the Ark, saying that since God is flooding the earth, it is a religious event and therefore, unconstitutional.**

**I really don't know if I will ever be able to finish the Ark," Noah wailed.**

**The sky began to clear, the sun began to shine and the seas began to calm. A rainbow arched across the sky. Noah looked up hopefully. "You mean You are not going to destroy the earth Lord?"**

**"No," said the Lord sadly. "I don't have to. The government already has."**

**26** *“And just as it happened in the days of Noah,  
so it will be also in the days of the Son of Man:*

**27** *they were eating, they were drinking, they were marrying,  
they were being given in marriage,  
until the day that Noah entered the ark,  
and the flood came and destroyed them all.*

**28** *“It was the same as happened in the days of Lot:  
they were eating, they were drinking,  
they were buying, they were selling,  
they were planting, they were building;*

**29** *but on the day that Lot went out from Sodom  
it rained fire and brimstone from heaven  
and destroyed them all.*

**Matthew 24:30**

**Μαθθαῖον 24:30**

**30** *“It will be just the same on the day that the Son of Man is revealed.*
